Meeting Guidelines

- The virtual meeting may not be recorded. Sharing materials and Study information shared during the meeting is strictly prohibited.

- PALISI Leadership will not record the Session. For Study protocol discussion, each investigator should assign a scribe or memo-taker.

- For each session, there will be a main moderator and a chat monitor. We encourage each participant to speak up during the discussion. You may submit your questions using the Q&A Function or by raising your hand.

- Please mute yourself when not speaking.

- Change your Display Name to the following format for each session: First Name Last Name, Site/ Institution.

Ex) Akira Nishisaki, CHOP

- Please silence cell phones, close email, and clear distractions.

- Please actively participate and be prepared to be called upon.

Thursday, September 10th

Saturday, September 12, 1430 – 1830 GMT

Pediatric Sepsis Research in Limited Resource Settings: A Roadmap to Action

A World Sepsis Day Virtual Event

You are invited to join us and experts from around the world for an interactive, virtual forum to develop a global pediatric sepsis research agenda and promote collaboration around the world.

Overview of Agenda:

- **Opening remarks**
- **Journey of a septic child, with a focus on key knowledge gaps**
- **Panel discussion: Networks, data sharing, and collaboration**
- **Break-out session discussions**
- **Summary and Next Steps**

**Register at: palisi.org/world-sepsis-day
Spaces are limited**

*World Federation of Pediatric Intensive &
Critical Care Societies*

For Pediatric Sepsis
