Virtual Access for Subgroup Meetings

Each subgroup independently facilitates its virtual meetings. To find out if your subgroup will offer a virtual component at the Fall meeting, please visit www.palisi.org/subgroups. Use the contact form at the bottom of the subgroup's profile page to connect directly with them.

- *The virtual meeting may not be recorded. No materials should be shared outside of the meeting.*
- *The PALISI leadership will not record the session. For study protocol discussion, each investigator should assign scribes/memo-takers.*
- *We will have the main moderator and a chat monitor. We encourage each participant to speak up during the discussion. When you want to speak up, please indicate so in the chat so that we will put you in a queue.*
- *Meeting Log-In Information will be shared with registered attendees only. **DO NOT SHARE your meeting log-in information.***
